

**Resolution no. 13/20
of the Senate of the University of Gdańsk
of 27 February 2020**

**on the regulations of enrolment for Doctoral Schools in the University of Gdańsk
in the academic year 2020/2021**

pursuant to Art. 200 (2) of the Act of 20 July 2018 – the Higher Education and Science Act (Dz. U. [Journal of Laws] of 2020, item 85) – the Senate of the University of Gdańsk sanctions as follows:

§ 1. The subject of the resolution; terminology

1. The resolution specifies the rules of enrolment for:
 - 1) Doctoral School of Humanities and Social Sciences of the University of Gdańsk,
 - 2) Doctoral School of Natural Sciences of the University of Gdańsk– each hereinafter referred to as “the doctoral school”, in the academic year 2020/2021.
2. Any time the resolution refers to the Act, it shall be understood as the Higher Education and Science Act of 20 July 2018 (as amended).

§ 2. Requirements for entering education in the doctoral school

1. A candidate may be admitted to the doctoral school on the condition:
 - 1) of holding a Master’s degree, a Master Engineer’s degree or an equivalent degree;
 - 2) referred to in article 186 paragraph 2 of the Act.
2. It is possible to be a doctoral student only in one doctoral school concurrently.
3. Non-Polish citizens may enter education in the doctoral school in accordance with article 323 of the Act.
4. A person admitted to the doctoral school enters education and is granted the privileges of a doctoral student upon signing the doctoral student’s oath.

§ 3. Comprehensive enrolment regulations and closing dates

1. The enrolment procedure to the doctoral school shall be conducted through a competitive process and the Online Candidate Registration system (IRK).
2. Comprehensive enrolment regulations for a particular doctoral school of the University of Gdańsk are specified in appendix 1 to the resolution. The closing dates for the enrolment for doctoral schools are specified in appendix 2 to the resolution.

§ 4. Admissions limits

1. Candidates for the doctoral school are admitted to the school within the admissions limits in a given discipline, as specified in appendix 3 to the resolution.
2. In the process of the enrolment procedure, on doctoral school director’s request and after the online registration via the IRK system is closed, the Rector may:
 - 1) increase the admissions limit to the doctoral school in a given discipline specified in the resolution;

- 2) reduce the admissions limit to the doctoral school in a given discipline specified in the resolution if the number of registered candidates to the doctoral school in a given discipline is smaller than the admissions limit specified in the resolution.
3. In the case referred to in paragraph 2 subparagraph 2, on doctoral school director's request, the Rector may further extend the period of enrolment.
4. After the enrolment procedure is completed within the closing dates specified in the resolution, on doctoral school director's request, the Rector may increase the admissions limit to the doctoral school in a given discipline specified in the resolution, and conduct a supplementary enrolment procedure.

§ 5. Documents required for the enrolment procedure

1. Within the closing dates specified in appendix 2 to the resolution a candidate for the doctoral school is obligated to:
