

**GUIDELINES FOR THE PREPARATION OF THE DOCTORAL STUDENT'S REPORT ON
THE IMPLEMENTATION OF THE STUDY PROGRAMME AND RESEARCH PLAN IN
A GIVEN ASSESSMENT PERIOD**

§ 1.

The report on progress in the implementation of the study programme and research plan in a given assessment period, hereinafter referred to as the "report", shall be prepared by the doctoral student according to the guidelines specified in §§ 2 – 4:

§ 2.

The report shall include, in particular:

- 1) a declaration of the completion of the study programme in a given assessment period, confirmed by an employee of the UG administrative unit responsible for the administration of the doctoral school;
- 2) information regarding the implementation of the research plan, including the preparation of the doctoral dissertation in accordance with the schedule;
- 3) a justification of any amendment or amendments to the research plan if the plan was revised after its submission within the deadline referred to in Article 202 section 1 of the Act;
- 4) a clarification of the reasons for the failure to implement the research plan, should the plan not have been implemented, together with an indication of remedial action to ensure its implementation.

§ 3.

The report must not exceed 4,000 characters.

§ 4.

To accompany the report, the doctoral student must also attach documents confirming the implementation of the research plan, including any achievements obtained, as well as a detailed opinion of the supervisor regarding the student's implementation of the research plan.
