

**Bunch of information:**

**The Faculty Seminar** will be held on Fridays at 9:00 AM in the Professor Karol Taylor Aula (ul. Antoniego Abrahama 58, Gdańsk-Oliwa). The attendance list will be on the table - please sign it. The presentations of second-year doctoral students are scheduled to begin in January, with a slight adjustment to the starting date. Detailed information will be provided later.

**PhD students of our IBDS may attend courses organized by other doctoral schools.** Such participation requires the authorization of the Director of the Doctoral School (IBDS of UG and GUMed) and the consent of the course instructor.

**A new course entitled "Career Planning"** will be organized this year for PhD students of IBDS. The course will be a part of the optional module. Information about the schedule and registration will be provided by email

**The RRI course (Resercher oriented to responsibility in research and innovation)** is planned in January 2026.

**The course Intellectual Property Protection** (ochrona własności intelektualnej) is expected to start in February (see attachment).
